Gift by Mrs. R. T. Johnson to Concord Academy and Essex County Grammar School

Through the thoughtful kindness of Mrs. R. T. Johnson, Concord Academy and Essex County grammar school is to receive a gift of \$25 to be expended in books of which the pupils desiring, are to have free use. All will remember that the principal longing of Mrs. Johnson's heart was to help young people to make something of themselves, hence her gift for which the school is very grateful. An entertainment will be given at the close of the term, the proceeds of which will be put with Mrs. Johnson's gift, thus establishing a fund to be known as "The Johnson Fund for Free Books." Possibly other beneficent persons will be interested to contribute to this fund which we believe will increase our school membership. With only one pupil to leave us and prospect of a good entering class, next year promises to be a prosperous one. Show your interest by your presence at the exercises Wednesday evening, June 4 at town hall.
